What would it be like to be stuck on a desert island?

Inspired by BBC Radio 4's Desert Island Discs; a popular and long-running BBC radio programme in which well-known people are interviewed about their life and their favourite music.

If you were stranded on a desert island and could listen to just three pieces of music, what would they be?

1.
2.
3.

Ask the rest of your family/the people you live with the same question. What are their responses?

Name:	Name:	Name:
1.	1.	1.
2.	2.	2.
3.	3.	3.

Has anyone chosen the same pieces?

Listen to one piece of music from everyone's list. After each song, ask yourself the following questions:

1. Do you like the piece of music? What do you like/not like about it?
2. What can you hear?
 - a. What instruments are there?

Draw your desert island, or your favourite piece of music here!!
