EY NQT programme 2018-2019

Early Years NQT training programme:

- The EY NQT cohort will meet for half a day on Tuesday mornings from 9am-12:30pm
- The total number of training days will equal 13 days.
- NQTs will return to school for the afternoon session.
- This programme ensures input across a wide range of topics and subjects that will support NQTs through their initial year and help them meet the teaching standards.
- Lunch will be provided each week after the session from 12-12:30pm.
- Please let Mireilli Forrest know in advance if there are sessions that will not be attended, so that catering arrangements can be altered.
- Although most sessions will be delivered at Laycock PDC Centre, Laycock St, N1 1TH, there are a number that will take place at schools and EY settings within Islington to allow the NQTs to see a range of EY provision across the borough. Details of all additional venues and addresses will be communicated to the NQTs.
